

*Hi Caroline,
This is Amy, Brendan's mom.
Brendan would like
Nick to come over after
school on Friday.*

Playdates and carpools today;
Prom dates and car keys tomorrow.

*Hey Melissa, it's Sandy.
Ally is bugging me to let her
have a Facebook page;
does Jess have one?*

As your child makes new friends in
middle school, this is the most
important book you'll read all year.

*I'm not saying you can't
go to the party. I just
don't know the parents, so
I'm calling to make sure
they'll be home.*
